Environmental Education in Leicester

What can we offer for you?

Eco-Schools is an international award programme that supports schools in their sustainable journey. It provides a framework for making sustainability an integral part of school life. Any school can join the Eco-Schools programme, whether you are a nursery, primary school, secondary school, college or school with special status. ***Joining is free and support through the Environmental Team at Leicester City Council is free.***

A brand new, time-limited support offer has become available for schools in Leicester to take part in.

⇒ Introduction and benefits to your school of the Eco-Schools Programme

- *Whole-school staff information and meeting your Senior Leadership if required*

⇒ Find out where you are already on the Eco-Schools journey

⇒ Help to create your action plan to advance to the Bronze, Silver and Green Flag Award

⇒ Support in your action plan

- *Establishing and working with your Eco-Team*
- *Assemblies to launch your Eco-Team/activities*
- *Bespoke workshops and top tips*
- *Going for your Bronze, Silver and Green Flag Award*
- *Pursue grants and funding opportunities*

⇒ Put you in contact with other organisations that can help

⇒ Run your Green Flag trial assessment
