

THE GLOBAL GOALS

For Sustainable Development

Invitation to attend Leicester Schools' Global Goals Showcase evening Wednesday 17 May 2017

In September 2015, 193 world leaders agreed 17 Global Goals for Sustainable Development. If these Goals are completed, it would mean an end to extreme poverty, inequality and climate change by 2030! Our governments have a plan to save our planet...it's our job to make sure they stick to it.
